South Africa Things to Eat

There are many delicious things to eat in South Africa. In South Africa people like to have a barbecue meal called a Braai. Special Sausages called boerewors are eaten. A Braai can be eaten with vegetable dish called chakalaka. Bobotie is another popular food made of minced meat and onion with egg on top. A popular snack is biltong which is dried meat. A yummy dessert is Melktert.

South Africa Festivals and Events

South Africa celebrates many festivals but the most important one is Freedom Day. Freedom Day was started in 1994 to celebrate the end of apartheid, where black people were separated from white people. It was the first time everyone was able to vote.

Many African people wear western clothes but African tribes can wear traditional tribal costumes. These can be made from animal skins or very colourful cloth.
